**FARMINGTON TOWNSHIP  
TRUMBULL COUNTY**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019**

**1. REPORTING ENTITY**

**Description of the Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of Farmington Township, Trumbull County, (the Township) as a body corporate and politic. A publicly-elected three-member Board of Trustees directs the Township. The Township provides general government services, road and bridge maintenance, cemetery maintenance, fire protection services and emergency medical services. The Township contracts with Life Force to provide ambulance services.

The Township participates in the Ohio Township Association Risk Management Authority (OTARMA) public entity risk pool. Note 6 to the financial statements provides additional information for this entity.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Presentation**

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

**B. Fund Accounting**

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

**General Fund**

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds**

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

**Gasoline Tax Fund** – This fund receives gasoline tax monies to pay for constructing, maintaining, and repairing Township roads.

**Road & Bridge Fund** – This fund receives property tax monies to pay for constructing, maintaining, and repairing Township roads.

**Fire District Fund** – This fund receives property tax monies to operate the Township's volunteer fire department.

**FARMINGTON TOWNSHIP  
TRUMBULL COUNTY**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Debt Service Funds**

These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. The Township had the following significant Debt Service Fund:

**Debt Service Fund** -- This fund receives property tax money for the repayment of debt.

**C. Basis of Accounting**

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D) permit.

**D. Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control and appropriations may not exceed estimated resources. The Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

**Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2019 appears in Note 3.

**E. Deposits and Investments**

The Township's accounting basis includes investment as assets. This basis does not record disbursement for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

**FARMINGTON TOWNSHIP  
TRUMBULL COUNTY**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**F. Capital Assets**

The Township records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

**G. Accumulated Leave**

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

**H. Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable**

The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted**

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed**

Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**Assigned**

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

**Unassigned**

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

**FARMINGTON TOWNSHIP  
TRUMBULL COUNTY**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced, first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**3. BUDGETARY ACTIVITY**

Budgetary activity for the years ended December 31, 2019 follows:

Fund Type	2019 Budgeted vs. Actual Receipts		Variance
	Budgeted Receipts	Actual Receipts	
General	\$ 84,828	\$ 100,127	\$ 15,299
Special Revenue	536,867	594,103	57,236
Debt Service	52,413	52,413	-
